Endorsement

I, Kelly Barker, Member of the Human Rights Tribunal of Ontario, make the following Endorsement with respect to application file numbers **2018-33237-S; 2018-33503-S:**

1. Ms. Donovan has requested to have a court reporter without having to fully comply with the requirements of the Tribunal Practice Direction on Recording Hearings. Specifically, Ms. Donovan requests that the Tribunal waive the requirement to have transcripts produced and provided to the Tribunal and other parties, unless she requires this transcript in respect of an application made under the *Judicial Review Procedures Act*. That request is denied. A court reporter will be permitted only in full compliance with the Tribunal Practice Direction on Recording Hearings, to have transcripts produced and provided to the Tribunal and other parties.

2. Ms. Donovan has requested reasonable breaks during the hearing. All parties will be granted reasonable breaks as requested during the hearing.

Dated at Toronto, October 22, 2026.
